To whom it may concern,

Reference to Docket 2021-165-E , opened Tuesday May 18, 2021

Per the May 20, 2021 notice to me from The Public Service Commission of South Carolina, ... "The Complainant may respond to the company's direct testimony, but must do so in writing by Monday, June 21, 2021."

This morning I spoke via telephone with Ms. Duke from The Public Service Commission of South Carolina and she advised that my response by email today will meet my filing requirement.

I could not E-File this information because The Public Service Commission of South Carolina Document Management System (DMS) only permits an attorney to submit documents via the E-File system.

Therefore, because I am not an attorney and filing as an individual, my submission is via this email.
